

Partner Migration (Subclass 300/309/100)

Application Checklist - CHINA

How to use this checklist

1. Before you sign your visa application form, use this checklist to ensure that you have included all necessary documentation to support your claims.
2. When you are satisfied that you have correctly completed your visa application form and all of the necessary documentation is included, you should sign and date your visa application form.
3. Include this completed checklist, when you lodge your visa application form and all necessary documentation.

Other important information

Please be aware that the decision on your visa application may be decided on the information and documentation that you include at the time of lodgement. Additional documentation may be requested during the processing of your visa application.

Please ensure that you:

- Please provide an email address on the application form as this is the easiest way to communicate with you.
- Provide a photocopy of all official original documents lodged with your application so we can return the original documents to you at finalisation. Please note that certified/notarised copies will NOT be returned.
- Attach English translations of any official documents that are in any language other than English. If you provide notarised documents, official translations will be required.
