

Visitor visa (subclass 600)

Tourist stream (Study Tour)

Application Checklist - CHINA

You need to provide documents to support your application for this visa. We can make a decision using the information you provide when you lodge your application. It is in your interest to provide as much information as possible with your application.

We encourage you to lodge your application online via [ImmiAccount](#) as you can create, submit, pay for and manage your visa application.

If you are lodging your application online, please ensure that you upload good quality, colour scans of supporting documents in the correct orientation where possible. If you attach low quality scanned documents this may lead to delays or the refusal of your application.

If you are lodging your application at an Australian Visa Application Centre (AVAC), please provide colour copies of original documents. Do not include original documents unless we specifically ask for them.

Organisers of group tours should lodge all applications for the group together where possible. If you are lodging applications for a study tour group online, you can assist us to process the applications more efficiently by:

- Selecting the relevant option for 'Group Processing' in ImmiAccount when lodging the applications.
- Giving the group a clear name which identifies it as a study tour, for example: "**Study Tour – ABCSCHOOL – 01JAN2017**"

Important:

- Please provide an email address on the application form as this is the easiest way to communicate with you.
- It is important to check your junk email regularly to ensure that emails from the Visa Processing Office have not accidentally been sent to your junk folder.
